PROFILE

Computer Science and Engineering student with a strong interest in software development, problem-solving, and emerging technologies. Currently pursuing a Bachelor of Engineering in Computer Science and Engineering under Visvesvaraya Technological University (VTU). Possess a good foundation in programming, data structures, databases, computer networks, operating systems, and web technologies. A quick learner with good communication and teamwork skills, eager to gain practical experience and contribute to real-world technical projects.

EDUCATION

Bachelor of Engineering-Computer Science and Engineering
P A COLLEGE OF ENGINEERING
CURRENT CGPA-8.79
2024-28

SKILLS

TECHNICAL SKILLS: C, Java, Python, HTML, CSS, DSA
SOFT SKILLS: Communication, Teamwork, Problem Solving
TOOLS & SOFTWARE: Git, GitHub, VS Code, MS office

PROJECTS

- **Weather Monitoring Station**

Role: Team Member| **Timeline:** 2026
Description: Developed an IoT-based system to monitor temperature, humidity, pressure, and rainfall using sensors and ESP8266.

- **School Bus Tracker**

Role: Backend Developer | **Timeline:** 8 May 2026
Description: Developed a smart school bus tracking concept to improve real-time bus monitoring and student transportation safety.

CERTIFICATIONS

Software Engineering—NPTEL
Organisation: NPTEL / IITs
Currently pursuing a certification covering software development processes, software requirements, design, testing, and project management.
